

Studio 41

— Creative Hair Design —

Studio 41 Creative Hair Design will be following all CDC regulations and guidelines to keep both you, and the team at Studio 41 as safe as possible. Please find the following salon guidelines.

- 1) We will either text, call, or motion you in from our front porch (whatever your preference, which will be discussed upon making your appointment) when you can enter. We are keeping less than 10 people in the salon at once. Only you may enter the salon for your appointment, as we do not have waiting room.
- 2) Please make sure you are wearing a mask upon arrival, as there will be NO entry without one.
- 3) Once you enter the building, you will see hand sanitizer. Please use this prior to opening the salon door.
- 4) When you enter the salon, we will take your temperature. We ask that you wash your hands in the bathroom and follow the signage posted inside.
- 5) Due to tight scheduling, we will not be able to provide any last minute add on services during your appointment. Please be on time for your appointment so as to help keep the shop on schedule.
- 6) We ask that you stay home if you are feeling under the weather. Please call to reschedule.
- 7) If you suspect you have had contact with anyone who has tested positive for COVID-19, please call to reschedule.
- 8) The shampoo sinks will be a quiet zone. We look forward to catching up with you, but do not want to put you at risk by speaking when leaning over you.
- 9) Unfortunately, there will be no hugging, hand shaking, or physical contact of any kind. We have missed you, but need to be safe!

These guidelines are subject to change based on updated information from the CDC.

Please check back here right before your appointment for any updates.

For the safety of our customers, all stylists have all been certified for COVID-19 through Barbicide, and will implement the suggested protocols. If you have any questions, please free to call us and we will try to answer them to the best of our ability. If you get our answering machine, please leave a message, we will return your call as soon as possible.

Please know that the team at Studio 41 will be working extended hours and days to accommodate our loyal customers.

Thank you for your continued patience!
